General Information

Church Affiliation

Lighthouse Christian School shall be under the authority and governance of Lighthouse Baptist Church of Greater York, currently located at 5005 Carlisle Road, Dover, PA 17315, and recognized as a ministry of Lighthouse Baptist Church of Greater York and inseparable from said church.

Because of this, the Lighthouse Baptist Church of Greater York's doctrinal statement of faith shall be in force and fully adhered to by Lighthouse Christian School.

1. The statement of faith for Lighthouse Christian School is the same as that of Lighthouse Baptist Church of Greater York.
2. The Authorized King James Version of the Bible will be used as the final authority for doctrine, instruction, faith and practice.

Mission Statement

Lighthouse Baptist Church of Greater York believes it to be the right and privilege of the church to provide educational services to its members and others willing to adhere to our statement of faith, specifically, the Christian and academic education of Kindergarten through twelfth grade. Therefore, Lighthouse Christian School shall exist:

1. For the glory of God
2. For the propagation of the Gospel of Jesus Christ
3. To encourage a personal relationship with Jesus Christ
4. To build godly character

5. To aid the parent/guardian in the godly instruction of their children
6. To provide a safe, Christian environment (physically, morally, and spiritually) as a haven in which children and young adults can receive a well-rounded, spiritual and academic education that prepares them to lead godly lives and to be profitable and beneficial contributors to society – spiritually, morally, and financially
7. As a ministry of Lighthouse Baptist Church

Philosophy of Education

Lighthouse Christian School was designed to aid in the training process of students. We believe that the family is the primary mode of training for a child. We also believe that the church was founded to assist in that training. Lighthouse Christian School, as a ministry of Lighthouse Baptist Church, further assists in the process of helping parents train up their children for God.

Because of this close-knit relationship between the home, church, and school, it is vital that all three entities are complementary. Each of these influences must hold to the same foundational principles to help reinforce them in the student's mind. Any one of these entities teaching contrary to God's Word will confuse the student and bring dishonor to God.

LCS was founded for the purpose of being a safe haven for students. While no school is perfect, LCS teaches discipline, Christ-like character, and a Biblical worldview that will help shape students into strong Christians. Along with these benefits, LCS also maintains high academic standards to help your child excel in future pursuits. The primary philosophy of LCS is to provide academic excellence on a spiritual foundation.

Faculty Information

All members of the Lighthouse Christian School staff, whether employed or volunteer, must have a clear testimony of salvation, have been baptized by immersion since their salvation, must regularly attend either Lighthouse Baptist Church or another church of like-faith, and must clearly support the Doctrinal Statement of Faith of Lighthouse Baptist Church of Greater York.

All staff members, whether employed or volunteer, who have regular contact with the students must have criminal and child abuse background checks before employment to determine them to be of no threat to the welfare of the students, staff, or institution.

All staff members, whether employed or volunteer, are expected to practice a separated, godly lifestyle at all times as a representative of the Lighthouse Christian School both while on and off duty.

1. Staff members, whether employed or volunteer, must adhere to Biblical principles as stated in the doctrinal statement of Lighthouse Baptist Church.
2. Staff members, whether employed or volunteer, must adhere to all standards and requirements included in the Lighthouse Christian School *Staff Handbook* including dress, personal behavior, and practices.
3. Failure to adhere to the Biblical principles as stated in the doctrinal statement of Lighthouse Baptist Church will result in reprimand and may lead to other disciplinary measures and even dismissal from the staff.

School Hours

Lighthouse Christian School hours are 8:30 to 3:30 daily for students in grades K5-12. Half-day Kindergarten is available for half-price tuition and dismisses at noon (after school care is not provided for Kindergarten students). Students who arrive more than five minutes early must go to before school care and will not be charged unless they are more than fifteen minutes early. Students are to be picked up between 3:30-3:45. Students not picked up by 3:45 will be placed into after school care and will be billed accordingly (see “Extended Care” for more details).

Policies

Admission

Enrollment for Lighthouse Christian School will be limited in order to maintain the spiritual environment established in the school’s Mission Statement (see “Mission Statement” for more details).

1. Enrollment in Lighthouse Christian School is a privilege and not a right.
2. LCS reserves the right to refuse enrollment or dismiss a student at any time for any reason. If dismissal is warranted, prorated tuition funds will be returned.
3. Enrollment will be limited to those families and students who are willing to fully support the tenets of Lighthouse Baptist Church of Greater York both in doctrine and in practice.
 - a. **Every Student and Guardian will be required to sign a *Handbook Agreement Form* pledging to follow the policies of Lighthouse Christian School.**

- b. Failure to comply with the *Student Handbook* will result in the appropriate consequence until compliance is met or eventual dismissal if compliance is refused.
4. Only those students who are able to maintain a Christian spirit and behavior will be allowed to continue to attend Lighthouse Christian School. Those students who become unable to maintain a godly Christian spirit or are otherwise hindering the mission statement of Lighthouse Christian School from being fulfilled will be dismissed from the school and will not be able to attend for the remainder of the semester or for a period of time deemed appropriate by the administrator, pastor, and/or the Lighthouse Baptist Church Deacon Board.
5. **Upon acceptance to Lighthouse Christian School, each enrolled student entering grades 2-12 will be required to take a diagnostic test to determine their level of proficiency.** The supervisor will prescribe the appropriate curriculum to meet your child's needs. This test varies in length, but generally takes a few hours. Please contact the school office to schedule the diagnostic assessment. Upon completion, the supervisor will discuss the results with the parents and order the necessary curriculum.
6. Due to the unique structure of the ACE program, students in 2nd – 12th grade can be easily enrolled at any point during the school year.

Tuition

Lighthouse Christian School is committed to provide a quality, Christian education for your child at an

affordable price. The following policies have been established to avoid misunderstanding:

1. Due to limited enrollment, each year a **\$50 non-refundable registration fee** is due with each student's application or re-enrollment application to hold the child's place in the school. Upon acceptance or re-enrollment, the \$50 will be credited toward your first month's tuition payment. If for some reason the school denies your child for admission or re-admission, the registration fee will be refunded to you; however, if, after you have paid, you decide not to place your child in LCS, your registration fee will NOT be refunded.
2. **Each year, the parents of each student will be required to sign a Financial Contract** that pledges to pay the required tuition for the year. On this contract you will be given the choice on how you would like to pay your book fee and tuition: one payment, two payments, ten payments, or twelve payments.
3. A **\$350 non-refundable book fee** for each 1st-12th grade student each year is due along with the first tuition installment, or you may opt to pay monthly along with your chosen tuition installments. This fee covers the cost of all the curriculum, supplies, and annual standardized testing. **The full-day Kindergarten book fee is \$250 per student, and the half-day Kindergarten book fee is \$200. The Kindergarten book fee includes a graduation fee.**
 - a. **High school seniors will be assessed an additional \$65 graduation fee** to cover graduation materials.
 - b. If at some point during the school year a student must withdraw from LCS for

financial or any other reason, he may retain all of his incomplete, prescribed curriculum PACEs (if the book fee is paid in full) and continue his schooling at home. Parents will receive a prorated reimbursement for tuition.

- c. If your child completes all the PACEs prescribed to him for the year and wishes to proceed further, a \$3 per PACE fee will apply.
4. The total tuition cost for grades K5-12, excluding the previously listed fees, is \$2,600 for the school year. For your convenience, this cost can be broken down and paid in ten monthly installments of \$260 or twelve monthly installments of \$220. Half-day Kindergarten is available at 50% of the cost.
5. **There is a substantial discount available for multiple children in the same family enrolled at LCS.** Lighthouse Christian School uses the following discount rate: 2nd child – 20%, 3rd child – 40%, 4th child – 60%, 5th child – 80%, 6th+ child(ren) – 100%. The non-refundable book fee still applies to each child.
6. **All tuition installments are to be paid by the fifteenth of each month.** The first tuition and book fee installments are due on August 15th. The final tuition and book fee installments are due on May 15th (for 10 payment plan) or July 15th (for 12 payment plan).
7. **Payments received after the 20th of the month will incur a \$10 late fee.** If a payment is not fulfilled by the 15th of the following month, the school office will contact you to discuss your payment options.
8. Limited scholarship funds may be available for

those who qualify. Pick up an application in the school office. Members of Lighthouse Baptist Church are given priority for scholarships. Students who qualify for a scholarship must sign a “Scholarship Agreement Form” which details the requirements necessary in order to maintain the scholarship.

9. Summer school is available for those students who need additional instruction to achieve their appropriate grade level at a rate of \$40 per PACE for students who wish to work at school and \$20 per PACE for students who wish to work at home (maximum of \$240 per month; see “Summer School” for more details).

Attendance

Regular attendance is essential for successful education. Please do your best to avoid family or vacation days during school time. Doing so tells your child that their education is not important. The curriculum is designed to work for students who are in class; however, if a student is genuinely ill with a contagious or debilitating illness, please do not send him to school. If you foresee that the student will be out of school for an extended period of time, the student may take his PACEs home with him and continue to work up to the Self-Test; however, working at home is not a replacement to school attendance.

Students must abide by Pennsylvania truancy laws.

1. Absences should be limited and only used for true emergencies. **If a student misses more than ten days, he will have to make up the difference in summer school.**
 - a. The Commonwealth of Pennsylvania requires the attendance of all enrolled

students during school days and hours unless a student is considered “excused.”

- i. Pennsylvania law broadly defines absences as **excused** when a student is prevented from attendance for mental, physical, or other urgent reasons. Such instances would include illness, family emergency, death of a family member, medical or dental appointments, and authorized school activities and educational travel with prior approval.
 - ii. All other absences are considered **unexcused**.
- b. **All absences and tardies (excused or unexcused) will be treated as unlawful until the school receives a written (or typed) excuse explaining the reason for the absence (or tardy).** Parents/guardians should submit the written explanation within three days of the absence (or tardy).
- i. **If a written excuse is not provided within three days, the absence (or tardy) will be permanently counted as unexcused.**
 - ii. **After a student accumulates three days of unexcused absences, LCS must report the student as “truant” to the district superintendent who in turn can refer the student to the magisterial district judge. The judge may impose fines, educational classes,**

and/or suspend driver's license operating privileges.

- c. **Students who miss more than ten days of school** (excused or unexcused) **during a school year must make up the excess days in summer school** (See "Summer School") unless the excess days are excused by a physician, at which point a doctor's note would be required for each day missed.
 - d. **If a student misses more than two days in a row, a doctor's excuse is required.** If a doctor's excuse is not provided, each day past three days the student was absent will be counted as unexcused.
 - e. Pennsylvania law requires students to attend school all day, even if their required work is completed.
 - f. Exception to the above law is made for students at least sixteen years of age with a valid work permit **who are going to work.** In such cases, high school students who are at an appropriate academic level and have parental and administrative approval may be excused early for work without penalty.
 - g. The above information was gathered from the Pennsylvania Department of Education. Please visit their website for more information.
2. Students who are more than three hours late (or dismissed early) may come to school, but will be considered **absent**.
 3. Students who are late (or dismissed early), but less than three hours late (or dismissed early) will be considered **tardy**.

4. **Students will be considered tardy if they are not in their assigned classroom at 8:30 am.**
5. **Five accumulated tardies (excused or unexcused) will equal one absence (excused or unexcused).**
6. If a student must leave early for a doctor's appointment or other such appointment, parents must send in a signed note with the student on or before the day of the appointment. Such instances will count as an excused tardy so long as the student is gone for less than three hours. If the student is gone for more than three hours, it will count as an excused full-day absence, even if the student returns.

Discipline

Lighthouse Christian School stresses discipline as an important aspect of character development. LCS uses the demerit/merit method of discipline to help train up a child in the way he should go (Prov. 22:6). We believe in both positive and negative reinforcement of the rules. Positive reinforcement is when students are rewarded for going above and beyond what is expected of him (i.e. 100% on test, picking up trash without being asked, etc.). Negative reinforcement is when students are corrected for disobeying the rules (i.e. improper language, dress code violation, etc.). LCS believes, however, that discipline is not just for the school, but should also be reinforced at home. **LCS will NOT incorporate corporal punishment for any reason.** Parents should be the primary disciplinarians in the student's life.

Demerits

The following rules apply to all students and will be enforced with the corresponding number of minimum demerits. Demerits may be increased after the first offense or at the issuing teacher's discretion:

1. Bullying2
2. Cell phone/electronic violation.....1
3. Cheating.....2
4. Direct disobedience1
5. Disrespect2
6. Disturbing class or chapel.....1
7. Dress code violation1
8. Fighting.....3
9. Gum chewing.....1
10. Homework slip not signed1
11. Horseplay1
12. Inappropriate behavior or language1
13. Inappropriate touching (staff determined)2
14. Incomplete work1
15. Intentional poor manners1
16. Lying.....2
17. Obscene gesture or cursing3
18. Scoring violation.....1
19. Unprepared for class1

The following is a list of offences that could result in suspension and/or expulsion from the school. The pastor, administrator, and/or Lighthouse Baptist Church Deacon Board will review the infraction to determine if such actions pose a threat to the school environment.

1. Abuse of school property
2. Alcohol possession or use
3. Gambling
4. Involvement in crimes (other than traffic tickets)
5. Immorality

6. Possession, distribution, or use of un-prescribed drugs
7. Possession, distribution, or use of pornography
8. Possession, distribution, or use of tobacco
9. Possession or distribution of birth control devices
10. Possession or distribution of explosives, firearms, knives, or other fighting instruments
11. Stealing
12. Striking a staff member

Consequences for demerits will be fulfilled in the following ways:

1. If a student accumulates **3-5 demerits in one day**, he will be required to serve a lunch detention the following day. If it is not possible for the child to serve the detention the following day, please contact the school office for other arrangements.
 - a. Lunch detentions are thirty minutes and will be served during the lunch period.
 - b. During lunch detention, students will be isolated (monitored by a staff member) and given fifteen minutes to eat their lunch.
 - c. After eating, students in grades 5-12 will be issued a “detention packet” to be completed in the remaining time. Uncompleted packets will be finished in the subsequent breaks if necessary.
 - d. After eating, students in grades 2-4 will sit quietly and wait for the period to end.
 - e. Upon accumulation of 10 lunch detentions, any further detentions issued will automatically be after-school detentions.
2. If a student receives **6 or more demerits in a day or accumulates 5 lunch detentions in a semester**, the student will be automatically issued an after-school detention. The offending student’s

parent will be called in order to schedule the detention and inform them of the student's behavior.

- a. After-School detentions are at least thirty minutes (depending upon the number of demerits received) and will be served immediately following the end of the school day (or during recess/PE class for students whose parents are unable to pick them up).
 - b. During after-school detention, students will be given "chores" around the building to keep them busy. Since this requires parental approval, if a parent is uncomfortable with this form of discipline, they may request a "detention packet" for their child instead.
 - c. Students work (physical or written) will be inspected, and unfinished or incomplete work will be redone until satisfactory to the overseeing staff member.
3. If a student receives a detention, a detention slip will be issued to the offending student to be signed by a parent and returned the following day to inform the staff that the parents are aware of the discipline.
 4. If a student fails to return the signed detention slip the following day, an additional demerit will be assigned. After the detention slip has been signed and returned, the student will serve the detention.
 5. Upon the accumulation of **50 demerits in a semester**, the student will receive a suspension, the length of which to be determined in a parent-teacher conference.
 6. Upon the accumulation of **75 demerits in a semester**, the student will receive a suspension

until the administrator, pastor, and school board meet to consider what actions need to be taken, including possible expulsion. A parent-administrator meeting will be scheduled to discuss the offending student's actions and consequences.

7. Upon the accumulation of **100 demerits in a semester**, the student will be immediately expelled. The administrator, pastor, and school board may make exceptions in rare cases.
8. Students who have been expelled may re-apply the following fall semester.

Merits

At Lighthouse Christian School, we do not believe that good works should go unnoticed, which is why the merit system is used. Merits do not cancel out demerits but rather reward the students with prizes and extra privileges for their positive behavior. Merits are awarded for the following reasons:

1. Optional Assigned Report..... 10-30
2. Recited monthly Scripture 30-50
3. Score 100% on a Test20
4. Score 90-99% on Test.....10
5. Weekly Neat Office Award 10
6. Exceptional Behavior.....5-10

Merit Store

Once per quarter, LCS will open its Merit Store where students can redeem earned merits on prizes and privileges. Unspent merits will carry over to the following quarter and so on; however, **all merits must be spent by the end of the school year** as they do not transfer from year to year. Merits received are non-transferable and LCS is not responsible for lost or stolen merits. If a student voluntarily withdrawals from the school at any

point during the year, he may spend his merits before leaving.

Extended Care

Lighthouse Christian School provides before and after school care for your child. This service is for parents who begin work prior to the school's starting time or work late and have no other means of transportation for their child. Before school care begins at 7:30 AM each day and after school care ends at 4:30 PM each day. Students arriving within fifteen minutes (by 8:15 AM) prior to the school's start time or leaving within fifteen minutes (by 3:45 PM) after school dismissal will not be charged for the service. During this time, students will work on homework, read, play quiet games, and do other activities. **Please fill out an extended care form in the school office for each child that needs this service.** LCS charges \$0.50 per fifteen minutes per child (\$2 per hour). For example, if a child needs to stay for an hour before school and an hour after school, it would be just \$4 for the day. If regular care is needed, please see the school office to set up an extended care payment plan at a discounted rate.

School Closings

Lighthouse Christian School believes that attendance is essential for successful education; however, from time to time, the school may need to close for inclement weather or other safety reasons. **LCS will follow the Dover Area School District for weather closings and delays unless otherwise notified. If a delay of 2 hours or more is necessary, Kindergarten will be canceled.**

Transportation

The following local school districts are required to provide transportation to Lighthouse Christian School: Central York, Dover, Northeastern, Northern, Spring

Grove (no 12pm pickup), West York, and York Suburban. If you live in the Dover School District and are interested in taking advantage of this transportation, please stop by the school office for a Dover School District Transportation Request Form. All other districts, please contact your school district for more information.

Parents who choose to transport their children to school should drop them off and pick them up from the north side door of the school. Please do not linger, as there will be other parents trying to drop off and pick up their children.

Traffic flow should not be impeded. Please park your car if an extended conversation with a staff member or other parent is needed.

Properly licensed students wishing to drive themselves to school will need to fill out a Vehicle Registration Form. This form requires a parent's signature and vehicle and insurance information. These students must park on the far north edge of the north parking lot.

Lockers

Lighthouse Christian school assigns a locker for each enrolled student in 2nd-12th grade. These lockers are school property and are therefore subject to search at any time. The lockers are not equipped with a lock, so if a student wishes to lock his locker, he must bring his own lock. If a student decides to lock his locker, the combination or a duplicate key must be given to the school office. Like student offices, lockers must be kept orderly at all times.

Lunch and Snacks

Lighthouse Christian School students must bring their own lunch each day. Microwaves are available for student use. Students will be given thirty minutes each day to eat their food. If a student forgets his lunch, the school will

provide a small meal for him to eat, and the family will be assessed a \$3 fee for the meal.

Snacks may also be sent for break times. **Please do not send energy drinks (Monster, Red Bull, etc.) or overly-caffeinated/sugary food items with your child for a snack.**

Electronics

Lighthouse Christian School is committed to providing academic excellence and a safe haven for your child. For this reason, personal electronics must be turned off and kept in student lockers from the time the students arrive at school until dismissal at 3:30pm unless given special permission from the administrator for instructional or emergency purposes. This policy helps to keep distractions to a minimum and maximize learning.

Personal electronics include, but are not limited to:

1. Cell phones
2. Computers
3. Tablets
4. Music Players

Failure to comply with the above electronics policy will result in confiscation of the offending device and demerits. Upon confiscation, parents will be notified and must come in to pick up their child's electronic device.

Smartwatches may be worn but must be put on airplane mode. Failure to comply with this policy will result in the individual student being required to keep their smartwatch off and in their locker.

All students in grades 9-12 should bring their own pair of headphones or earbuds to school. These are used for some special classes that require videos or CDs.

All students in grades 7-12 should have a scientific calculator, compass, and protractor for math. Students under grade 7 should not have a calculator at school.

Social Networks

Social media plays an important part of life in today's culture and can be used for good. LCS neither encourages nor discourages the use of social media. This decision is the parents' responsibility. If social media is used, students are encouraged to post positive thoughts about their home, church, and school and promote them in a Christ-honoring manner. Students should THINK (Is it True, Helpful, Inspiring, Necessary, and Kind?) before posting anything on social media.

Social networks can, however, be used for evil which is why students are reminded that they are constantly a testimony of their home, church, and school; and that their social networks should be a reflection of that testimony year-round. Carnal pictures, vulgar language, or bad-talking the home, church, or school on social networks may be used as evidence to determine if the student or his activities are a threat to the safe haven of Lighthouse Christian School.

LCS strongly discourages students from being involved with any online dating sights or chat rooms.

Students and parents are also encouraged to **follow Lighthouse Christian School on Facebook** for news and updates. You can find us there at **www.facebook.com/lcsdover**.

Language

Ephesians 4:29 states "Let no corrupt communication proceed out of your mouth." This verse should be the basic premise for all a Christian says or does. At Lighthouse Christian School, we are determined to keep the world out, and one of the primary ways the world gets in is through our speech. A Christian's language should be noticeably different than that of an unsaved person.

Bad-mouthing the home, church, school, or staff will

not be accepted and will be appropriately disciplined. While at school, students should not talk about books, movies, games, television, or other activities which promote worldly philosophies that LCS would not endorse. LCS is determined to keep the school a safe haven, but it cannot accomplish that goal effectively if the students are bringing the world into school.

At LCS, bullying will not be tolerated. Students are to be kind to each other (Ephesians 4:32) and treat each other as they would want to be treated. If a student is caught bullying, he will be issued an appropriate amount of demerits. If the bullying persists, the student's parents will be called to inform them of the student's actions. Extreme or persistent bullying could be used as grounds for dismissal.

To help stress discipline and respect, students must address all staff members of Lighthouse Christian School and Lighthouse Baptist Church with respectful language such as sir or ma'am. Men should be addressed as either Pastor, Mister, or Brother, and women should be addressed as either Miss or Misses. Failure to comply will result in demerits.

Music Lessons

LCS believes that extracurricular activities such as music can be extremely valuable in a student's education and development. At an additional cost, instrumental music lessons are available to LCS students from qualified teachers. If you are interested in taking advantage of this opportunity, contact the school office for more information.

Appearance

The outward appearance of a person is a reflection of the condition of his heart. For this reason, Lighthouse Christian School maintains a modest dress code for both

students and staff. LCS uses student uniforms outfitted by French Toast[®] which can be ordered online or through an order form in the information packet. If a custom size is needed, please contact the school office. Girls skirts and all ties must be ordered from French Toast[®]. Shirts and pants may be ordered elsewhere, but please match the uniform as closely as possible. Uniforms are implemented by LCS to ensure modesty and to avoid unnecessary problems.

Students in grades 7-12 also have a physical education uniform that they are responsible to bring each day there is physical education class. LCS will purchase several sizes of t-shirts and shorts and sell them to students at a nominal fee. Before a family is charged for a P.E. uniform, the student will need to try it on and have it approved by a staff member. Students in P.E. will be given 10 minutes to change into their uniform and may wear the P.E. uniform home if desired.

All Students

1. Uniforms must be worn each school day and on all trips or activities (unless otherwise notified) that take the place of school.
2. Uniforms should be neat at all times.
3. Undershirts must be white and worn by all students in grades 5-12.
4. Sleeves must not be rolled up on long sleeve shirts unless given special permission. Short sleeve shirts are available for order for warm seasons.
5. Shirts must remain tucked in at all times.
6. Students may not wear sweatshirts or jackets of any kind. Students may wear matching sweaters that are solid in color.
7. Unless given special permission, students are not to wear hats during school hours.

8. Appropriate uniform ties are to be worn by all students grade 5-12.
9. Clothing must fit properly but not be form fitting.
10. Temporary tattoos or drawings on the body are not permitted.

Guys

1. Uniforms for students in grades K5-4 are a white polo shirt, gray slacks, and tennis shoes.
2. Uniforms for students in grades 5-12 are a white dress shirt, burgundy tie, gray slacks, black belt, black socks, and black dress shoes (5th and 6th grade students may wear tennis shoes).
3. Shirts should be neatly tucked in and pants worn at the waist.
4. Hair must be clean and cut in a conservative fashion worn off the collar and ear. Hair must not reach the eyes if it were to be combed forward. Hair must not be dyed, bleached, spiked, or partially shaved. Sideburns must not pass the middle of the ear.
5. Black belts must be worn with pants that have belt loops. Oversized buckles are not permitted.
6. Jewelry may not be worn unless it is for a medical reason and has been approved by the supervisor. Simple rings are acceptable, but no more than one ring per hand may be worn.
7. For grades 7-12, shoes must be black; however, athletic shoes of any kind (including black) are not permitted except during break times and physical education. Skater-style shoes and boots are not permitted. Socks must cover the ankle and are to be worn at all times.
8. For grades 5-12, ties must be worn tight around the neck so that neither the undershirt nor the top button can be seen.

9. Guys must remain clean-shaven every day unless given special permission by a staff member.

Girls

1. Uniforms for students in grades K5-4 are a white polo shirt, gray skirt, and tennis shoes. Shorts may be worn under skirts if desired but should not be visible.
2. Uniforms for students in grades 5-12 are a white blouse with pointed collar, burgundy tie, gray skirt, and black shoes (5th and 6th grade students may wear tennis shoes).
3. Hair must be clean and neatly styled. Hair must not be partially shaved or cover the eyes. Unnatural dyeing is not permitted.
4. Only students 12 and up may wear make-up with parental consent, and it must be natural looking.
5. No black or gothic style nail polish will be permitted.
6. Necklines of shirts must be no more than three fingers below the collarbone, and undershirts must be worn with white shirts. Skirts must cover the whole knee when sitting and standing.
7. Jewelry must be simple and not distracting. It also must not be gaudy and worldly in nature. No more than two bracelets at a time may be worn. Earrings must be worn on the ear lobe. No more than two earrings, whether they are pierced or clip on, may be worn. Dangling or hoop earrings are not to be more than one inch in length. Gauges or earrings that appear to be gauges are not permitted.
8. For grades 7-12, shoes must be gray or black; however, athletic shoes of any kind (including gray or black) are not permitted except during break times and physical education. Heels longer than 2 inches are not permitted. Shoes must be

closed toed and closed backed. Boots are only permitted during winter-weather months and must be gray or black.

9. If socks, tights, leggings, or hose are worn, they must be black, white, or natural colored. Leggings must be ankle-length and may be burgundy.

Visitors/Security

Visitors of Lighthouse Christian School and Lighthouse Baptist Church must check in with the church office during school hours. Building doors remain locked and are monitored by security camera during school hours, and guests must be buzzed in by the receptionist in order to gain access. If a parental visit during the day is deemed necessary, please call ahead to make an appointment.

In order to keep the school safe, **NO pocketknives of any kind will be permitted.**

Academics

Curriculum

Lighthouse Christian School uses the Accelerated Christian Education (ACE) program for grades 2-12. With the ACE program of instruction, trained supervisors establish an Individualized Education Program (IEP) tailored specially to facilitate your child's greatest possible progress. Unlike traditional classrooms where students must progress at a pace with the rest of the class regardless of their understanding, the ACE program can offer a true Individualized Educational Program where true learning takes place before a student progresses to the next level. In traditional classrooms, time is the constant and learning is the variable. With the ACE program, time is the variable and learning is the constant.

The ACE curriculum is a globally accepted curriculum with graduates all over the world. Though LCS encourages students to further their education in Christian institutions, graduates from the ACE program have also gone on to continue their education in well-known colleges across the nation such as Penn State, University of Maryland, the U.S. Naval Academy, Harvard, and many others (There is an exhaustive list available in the school office). This is an effective, widely accepted program that has the ability to help your child reach his full potential.

At the heart of the ACE program are five basic laws of learning:

1. Students must be at subject levels where they can perform.
2. Students must set reasonable goals.
3. Students must be controlled and motivated.
4. Learning must be measurable.
5. Learning must be rewarded.

This effective curriculum helps to assure parents of:

1. A solid, mastery-based, back-to-basics education for their children.
2. A course of study individualized to meet a child's specific needs and learning capabilities.
3. A program incorporating Scripture, godly character building, and Biblical principles.
4. A curriculum using advanced computer technology to help ensure the finest education possible in today's high-tech society.

Grades Kindergarten through 1st use the A Beka Books curriculum. This curriculum is a widely known and used curriculum for Christian schools all around the world. The A Beka Books curriculum uses phonics to teach the students to read, which is foundational for the

rest of their schooling. If you have any questions or concerns about the curriculum, please contact the school office.

Homework

The ACE program is designed to help students take responsibility for their own academic achievement, and is designed to be completed while at school. Homework should be the exception, not the rule; however, occasionally, it may be necessary for the student to complete homework.

Students in grades 2-4 who do not complete their goals for the day will be expected to stay in during recess to finish it. Exceptions may be made at the supervisor's discretion.

Students in grades 5-8 who do not complete their goals for the day will receive a homework slip that must be signed and returned the following day. It is the student's responsibility to complete the homework, not the parents. The parent's signature indicates that they are aware of the homework and can attest to its completion according to the student. Failure to return the homework slip the following day will result in a demerit unless an adequate reason is given.

Students in grades 9-12 who do not complete their goals for the day will be responsible to complete the unfinished work and show the supervisor the following day. Failure to complete a reasonable amount of homework will result in demerits. If a student in grades 9-12 is consistently not completing their homework, they will begin receiving homework slips and expected to follow the above 5th-8th grade procedures.

Occasionally, students in grades Kindergarten and 1st may receive homework. Upon student completion, parents should simply sign the included homework slip, and return it in the student's folder the following day.

Homework will not be given to any student on Wednesday due to evening church. “Traditional” classes should also not assign homework on Wednesday evening and should avoid testing on Thursdays if possible.

Grading Scale

The ACE program is unique in the fact that it is a mastery-based curriculum. This means that students do not just learn the information required to barely pass a test, but rather they must master the information and receive at least an 80 percent in order to continue. If a student fails to receive an 80 percent, he must repeat the PACE and retake the test until achieving that mark. That being said, the grading scale for Lighthouse Christian school is different than many others as the lowest possible passing grade a 2nd through 12th grade student can have in academic subjects is an 80%.

A+	97-100
A	93-96
A-	90-92
B+	87-89
B.....	83-86
B-	80-82
C+	77-79
C.....	73-76
C-	70-72
D+	67-69
D	65-66
F.....	0-64

Graduation Requirements

Lighthouse Christian School is a registered school in the State of Pennsylvania and, as such, has the ability to issue diplomas. At this time, LCS is not an accredited school; however, students who have graduated from

schools using the ACE program (both accredited and non-accredited) have been accepted in thousands of colleges around the world such as the University of Maryland, the U.S. Naval Academy, and Penn State. While LCS can never guarantee that a particular student will be accepted into college, we promise to do our best to provide your child with a quality, Christian education.

Lighthouse Christian School offers students three different types of diplomas: Honors, College Preparatory, and General. **All students will be put on the College Preparatory course of study until accumulated evidence indicates otherwise.**

Honors Course of Study

The Honors course of study would be for extremely motivated students who may be interested in attaining their college degree from a prestigious college or another advanced course of study. The Honors student must complete at least 28 credits and attain a 93 percent high school average (his diploma will be marked with an “Honors” seal). If the student is able to attain a high school average of at least 97 percent, his diploma will be marked with a “Highest Honors” seal.

College Preparatory Course of Study

The College Preparatory course of study is designed to ready a student for college work. The College Preparatory student must complete at least 25 credits. If the student is also able to attain a high school average of at least 93 percent, his diploma will be marked with an “Honors” seal. If the student is able to attain a high school average of at least 97 percent, his diploma will be marked with a “Highest Honors” seal.

General Course of Study

The General Education course of study is not recommended for students who are planning to attend college. This course of study will not be assigned unless the parents and administrator have conferred and agreed on it. The General course of study still surpasses state minimums and requires the student to complete 23 credits.

Summer School

Because of the unique structure of the ACE curriculum used by Lighthouse Christian School, optional summer school can be mostly completed at home by the child at an affordable price. Mandatory summer school is required for students who missed more than ten days in a school year and is also available for those who are behind and would like to catch up.

Students who missed more than ten days in a school year are required to make up their excess days in mandatory summer school and will report to school at 9:00am on their scheduled summer school start date. Students in grades 7-12 must fulfill 5 ½ hours (2:30pm dismissal) per extra day missed, while students in grades 1-6 must fulfill 5 hours (2:00pm dismissal) per extra day missed. The cost for mandatory summer school is \$3 per hour (\$15/day for Elementary and \$16.50/day for Jr. High and High School). This cost helps to cover the cost of paying the supervisor monitoring the student and educational worksheets and activities for the student to work on. Students who are behind may work ahead during summer school at the additional cost of \$3 per PACE. Students who do not fulfill their mandatory summer school days will be reported to the school district who may revoke driving privileges, impose fines, and/or give other penalties to the parents and/or student (See “Attendance”). Seniors who must make up days in

mandatory summer school will not receive their diploma until all the days have been fulfilled.

A student who is behind and wishes to catch up will work on the PACE at home (or at school for an additional cost) until the self-test and will come in to LCS to score and complete the self-test and final test. A supervisor or administrator will be available throughout the summer months for academic help if needed. The cost of LCS summer school is \$40 per PACE (no more than \$240 per 30-day period) for students who wish to work at school and \$20 per PACE (no more than \$120 per 30-day period) for students who wish to work at home. This cost covers the PACE, tuition, and materials.
